

Trend Colours 2008/09

Corporate Schemes

We specialise in creating whole ranges of product to form corporate schemes.

Materials can be used in combinations and we can offer bespoke items such as special linings and zip colours as well as a number of packaging options.

Pantone Colours

We are able to produce products in made to order colours, subject to minimums and longer than normal lead times

Custom Made Articles

As well as different finishes, we can make any product to shape and size required. We work with nylon, microfibre and a full range of PU's and leathers with a range of different finishes.
